

Celebrating 10 Years of CAR T-Cell Therapy

On May 10, 2022, we will celebrate Emily's 10-year cancer free anniversary.

We are offering the following opportunities for our partners in the industry to celebrate the cure with us.

Donate

Starting in mid-April the Emily Whitehead Foundation will launch a donation campaign to celebrate 10 years of CAR T-cell therapy.

We ask for anyone interested in participating to donate \$10. This campaign will support of our mission to fund innovative pediatric cancer research in pursuit of the next cure.

Match Employee Contributions

As an extension of our donation campaign, we ask you to consider matching any contributions made by your employees.

We will track your employees' contributions and provide a summary invoice upon completion of the campaign.

Celebrating 10 Years of
CAR T-Cell Therapy

Celebrate

We encourage you to host your own celebration on May 10 — either together with your team in person or via social media using the hashtags **#ActivateTheCURE** and **#10YearsofCART**.

We will also be offering a T-shirt that can be ordered in bulk and distributed among your team members. This limited-edition shirt is designed by Emily Whitehead and will include the names of CAR T-cell therapy patients and survivors within the word CURE.

Cost: \$10/shirt

Order form: <https://forms.gle/Bquh3P4rQ16QnzVn6>

Order Deadline: April 27, 2022
